

Directions to the Gala Dinner

We've prepared three convenient options to help you reach the **Gala Dinner at Montreal Convention Center (Palais des congrès de Montréal), Room 710**. Choose the one that best suits your preferences for time, comfort, and exploration.

Option 1: Metro with Transfer – Quick and Direct

This route is ideal for those who prefer a quick journey with minimal walking using public transit. Take the Green Line and make a transit to the Orange Line toward Place-d'Armes station as shown in the figures below. The metro transfer is smooth, and the entire trip takes approximately 13 to 17 minutes. Upon exiting Place-d'Armes station, you'll see a Couche-Tard convenience store nearby. From there, take the escalators to Room 710.

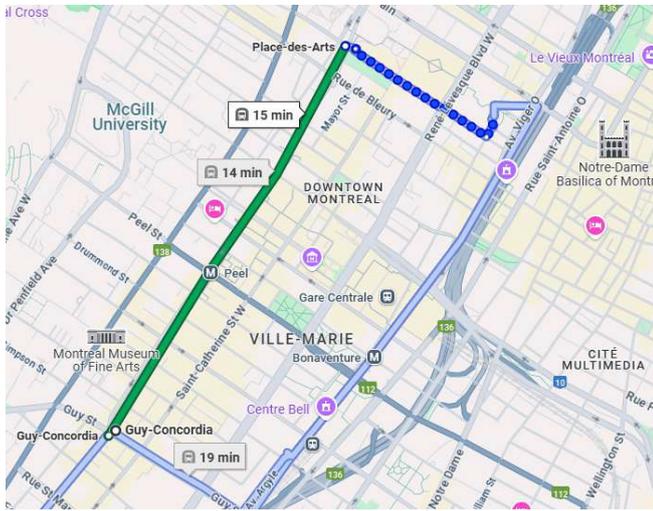

Option 2: Metro + Walk – A Fascinating City Walk Experience

This option combines a short metro ride with a chance to experience the heart of Montreal. Take the Green Line for three stops to Place-des-Arts station. From there, enjoy an 8-minute scenic walk to the Gala Dinner. The entire trip takes approximately 13 to 17 minutes. You'll have two amazing walking paths to choose:

- **Outdoor Route:** Walk through the bustling streets and immerse yourself in Montreal's vibrant festival atmosphere—with music, street performers, and an energetic crowd.
- **Indoor Route:** Discover the hidden world of Montreal's Underground City, a unique pedestrian network of shops, art, and passageways connecting downtown buildings.

A great choice for visitors who want to see the city and enjoy the journey. The destination of the city walk is the entrance of the Montreal Convention Center (200 Rue De la Gauchetière O., Montréal, QC H2Z 1L1). Once you arrive, enter through the main doors and take the escalator to Room 710.

- 5:01 PM ○ Guy-Concordia
1445 Guy St, Montreal, Quebec H3H 2L5
- 5:01 PM ○ Guy-Concordia
1 Station Honoré-Beaugrand
4 min (3 stops)
- 5:03 PM ● Peel
- 5:04 PM ● McGill
- 5:05 PM ○ Place-des-Arts
🚶 Walk
About 11 min, 700 m
- 5:16 PM ● 200 Rue De la Gauchetière O
Montréal, QC H2Z 1L1
